[Primeira Parte]

Db Abm
 You came to mind the other day
 B Gb
 Running through the conversations, ADD precipitations
 Db Abm
 I never found the time to say
 B Gb
 That I swear to God I think I loved you, wrote it in the stars
 above you
 Db Abm
 I'd change the little things
 B Gb
 If I could, if I could For you
 Db Abm
 I'd find the wounds to heal, oh
 B Gb
 If I could, if I could...For you

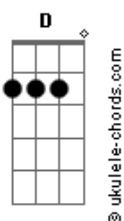

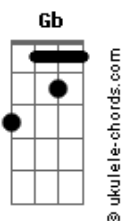

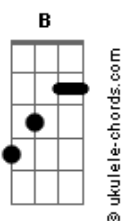

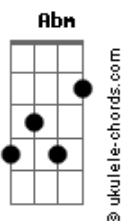

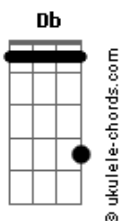

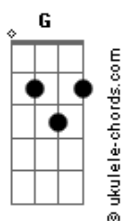

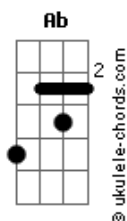

[Refrão]

Db Abm
 Blue skies and the revelry Sweet dreams that you'll never
 see
 B Gb
 Tired eyes and the fire brigade Stayed up with the
 renegades
 Db Abm
 But, oh, those words are lost to time skipped out on the
 warning signs
 B Gb
 Tied up on the little things Stuck now with remembering

[Segunda Parte]

Db Abm
 And, oh, the years have flown too soon
 B Gb
 Boys ran off to foreign lands and I made peace with one-night
 stands
