**A** **B7**  
She'll be gone soon  
**E** **A**  
You can have me for yourself

**A** **B7**  
She'll be gone soon  
**E** **A**  
You can have me for yourself

**A** **B7**  
But do give  
**E** **A**  
Just give me today  
**A** **B7** **E** **A**  
Or you will just scare me away

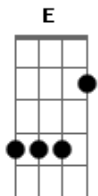

**A** **B7**  
What we built is bigger  
**E** **A**  
Than the sum of two  
**A** **B7**  
What we built is bigger  
**E** **A**  
Than the sum of two

**A** **B7**  
But somewhere  
**E** **A**  
I lost count of my own  
**A** **B7**  
And somehow  
**E** **A**  
I must find it alone

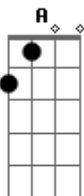

**A** **B7** **E** **A**  
Twenty-four and blooming like the fields of May  
**A** **B7** **E** **A**  
Twenty-five and yearning for a ticket out

**A** **B7**  
Dreams burn  
**E** **A**  
But in ashes are gold  
**A** **B7**  
Dreams burn  
**E** **A**  
But in ashes are gold
