

Kings Of Convenience - Comb My Hair

	tom:	And take me back again
	A	A Bm
		What good is it to comb my hair?
	A	E A
I've got nothing to say to you		It won't be touched by you
E A	Bm	A Bm
I've got to look ahead		Why wake up when you won't be there?
A		E A
That love that I once felt for you		Why go outside? It's lonely there
E		
Is by now as good as dead		Gbm Dbm
		The sky is full of stars tonight
Gbm Dbm		Gbm E
No, I'm not fooling anyone		The air is warm and clear
Gbm E		Dbm Gbm
And least of all myself		That silence that I longed to find
Dbm Gbm		E A
I still believe that you will come		Is cold and senseless now
Bm E
