Abm Db7  
One more time

Let's say you give me one more time

One last chance to speak again

Let's start from what we left unsaid

Abm  
And here we go Brave enough

To go climbing a wall

Db7  
So high that no sunlight

Is seen through winter

Gb  
Brave enough to go traveling

Around the world

Ebm  
Without money to eat or sleep for

Abm  
Seeing what you can

Do with your hands and feet

Db7  
I feel there is no question about it

Gb  
Almost anything you can imagine

Ebm  
Almost any goal You will get there

( Abm Db7 Gb Ebm )

Abm  
I wish you had been more of a talker

Db7  
Not the kind that is

Just flapping his lips

Gb  
And not the kind that looks away

Ebm  
But learns through his eyes

When somebody is watching

Abm  
Maybe you could have told me  
Db7  
There was a world on

Your shoulders that needed lifting

Gb  
Maybe I could have helped you with that

Ebm  
The weight is not easy I know

But you never know

Db7 Abm  
I thought your shoes were good

Gb  
I thought they would take you

Bbm  
To the end of any road

Db7 Abm  
I thought your back was strong

Gb  
I should have carried you to the top

Bbm  
Of the rocky I trail

Db7  
I should have carried you to the top

Gb  
Of the rocky trail

Abm Db7  
How am I to know about your problems

And your load

Gb  
I am blind to what you show

Ebm  
I am waiting to be told I never ask

Abm Db7  
How am I to know about your problems

And your load

Gb  
I am blind to what you show

Ebm Gb  
I am waiting to be told I never ask
