

Kings Of Leon - 100,000 People

tom:
Intro: C
C Rake at the Moon where the river flows
F Cut from the cloth of the winter's cold
C Bound by the voice that no one hears
F I've been around in a way for years
C Stray from the hear the more that you know
F All gussied up with no place to go
C Table side the one of your dreams
F Get what you want not what you need

(C F C)

C Parlor games and 6 o'clock news
F Hands of a stranger touching you
C Wide awake incased in a dream
F Everything is not as it seems
C All your time is heaven sent
F Days and the nights all start to blend
C It's not like this town to set you free
F The more you look the less you see

Em The tables set the rose is out
F You know what it is
Em Miles away from places you have been

The call was made to pull the shades
F The start of something new
Still nothing makes me feel the way

C You do, you do, you do, you do
F You do, you do, you do, you do
C You do, you do, you do, you do
F You do, you do, you do, you do

C The ones they say have come here before

F All gather 'round in the corridor
C I can't seem to place your name
F I know the face that I can't explain
C In my mind you're everything
F Lips don't move but voices still ring
C The light inside has lost its glow
F The more you see the less you know

Em The tables set the rose is out
F You know what this is
Em Miles away from places you have been

The call was made to pull the shades
F The start of something new
Still nothing makes me feel the way
C You do, you do, you do, you do
F You do, you do, you do, you do
C You do, you do, you do, you do
F You do, you do, you do, you do

Em The seasons change
My mind erased
F The stars all fade
C But one remains the same
C You do, you do, you do, you do
F You do, you do, you do, you do

Em Must I your grace
Unveil the face
F Only to say
C Nothing takes the place
C You do, you do, you do, you do
F You do, you do, you do, you do
C You do, you do, you do, you do
F You do, you do, you do, you do
