

Kings Of Leon - Cold Desert

Tom: **D**

D **Bm** **A**
I'm on the corner, waiting for a light to come on
G
That's when I know that you're alone
D **Bm** **A**
It's cold in the desert, water never sees the ground
G **D**
Special unspoken without sound
(**D** **Bm** **A** **G** **D**)

D **Bm** **A**
You told me you loved me, that I'd never die alone
G
Hand over your heart, let's go home
D **Bm** **A**
Everyone noticed, everyone has seen the signs
G **D**

I've always been known to cross lines

(**D** **Bm** **A** **G** **D**)

D **Bm** **A**
I've never ever cried when I was feeling down
G
I've always been scared of the sound
D **Bm** **A**
Jesus don't love me, no one ever carried my load
G **D**
I'm too young to feel this old
(**D** **Bm** **A** **G** **D**)

D **Bm**
Is it you, is it me
A **G**
Or does nobody know, nobody see
D
Nobody but me
(**D** **Bm** **A** **G** **D**)
