

# Kings Of Leon - Cold Desert

Tom: **D**

**D** **Bm** **A**  
I'm on the corner, waiting for a light to come on  
**G**  
That's when I know that you're alone  
**D** **Bm** **A**  
It's cold in the desert, water never sees the ground  
**G** **D**  
Special unspoken without sound  
( **D** **Bm** **A** **G** **D** )

**D** **Bm** **A**  
You told me you loved me, that I'd never die alone  
**G**  
Hand over your heart, let's go home  
**D** **Bm** **A**  
Everyone noticed, everyone has seen the signs  
**G** **D**

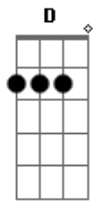

I've always been known to cross lines

( **D** **Bm** **A** **G** **D** )

**D** **Bm** **A**  
I've never ever cried when I was feeling down  
**G**  
I've always been scared of the sound  
**D** **Bm** **A**  
Jesus don't love me, no one ever carried my load  
**G** **D**  
I'm too young to feel this old  
( **D** **Bm** **A** **G** **D** )

**D** **Bm**  
Is it you, is it me  
**A** **G**  
Or does nobody know, nobody see  
**D**  
Nobody but me  
( **D** **Bm** **A** **G** **D** )
