E Gbm  
Take me back to California  
E Gbm  
To those crystal neon signs  
Abm A  
Where the traveling sensations  
Gbm E Gbm  
Are all blinded by the light

E Gbm  
There are eyes in every corner  
E Gbm  
Bloated brains and rotten smiles  
Abm A  
There are coats of many colors  
Gbm E Gbm  
Flying high up in the sky

Abm A  
Won't you come round my way  
E  
For some conversation, please  
Abm A  
Won't you come round my way

E Gbm  
Look at all these shattered faces  
E Gbm  
They all look so out of place  
Abm A  
They've got nothing left to live for  
Gbm E Gbm  
They'll be dead before they wake

E Gbm  
I'd love to know just what you're thinking  
E Gbm  
Tell me what I ought to do  
Abm A  
I will never leave you lonely,  
Gbm E Gbm  
You're the one I'm runnin' to

A B  
Get me out of California  
Dbm Abm  
Take me off into the blue  
A B  
We can make it out together  
Dbm Abm  
To the place that's calling you

A B  
Won't you come round my way  
Dbm Abm  
For some conversation, please  
A B  
Won't you come round my way
