

# Kings Of Leon - Ease Me On

tom:  
E

E Gbm  
Lost a couple dollars on the ponies in the rain

B  
I dropped out on my knees

E  
Cut right down to size

E Gbm  
Over a cup of coffee I was trying to explain

B  
I could not speak your name

E  
Barely look you in the eye

Abm Gbm  
By the way, they say it stopped raining

Abm A  
By your face it isn't hard to tell

B  
This isn't going well

E Gbm  
Ease me on

B  
When the timing is aligning

E  
You will know

Dbm Gbm  
Ease me on

B  
When you're ready

E  
I'll be ready, steady, go

E  
You're sitting fine in the sunshine

Gbm  
Got no reason to complain

B E  
How can I ever change, oh, if I never try?

Koko brings us ice cream while we're waiting

Abm A  
Waiting on the day to never end

B  
We have to go again

E Gbm  
Ease me on

B  
When the timing is aligning

E  
You will know

Dbm Gbm  
Ease me on

B  
When you're ready

E  
I'll be ready, steady, go

E Gbm  
Always on my mind

B  
Always on my mind

Dbm  
Always on my mind

Gbm  
Always on my mind

B  
Always on my mind

E  
Always on my mind

Gbm  
Always on my mind

B  
Always on my mind

Dbm  
Always on my mind

Gbm  
Always on my mind

Always on my mind
