D  
On our way, so it seems, blooming flowers waltz before me  
G  
Rollin' numbers, passing time, got to get outside the city,  
D  
In the morning all will see, just how crazy young love can be  
G  
On our own away again, don't get down my darlin'

[chorus:]

D  
I'm gonna tangle my face hair, it's gonna tickle your daughter

3 o'clock and the moaning, they all cry to me,

G  
I'll be prancin' around in my high heels, and your cherry red

lipstick,

Look out your window I'm on your street

D  
Miles away, so unclear, almost lost it in Montana

G  
Lets pull over, have us a choke

I love to watch you when your dancin'

D  
I wonder if they ever dream, they would get just what we gave

them

G  
All wrapped up in 19, chasin' stars that are fallin'

[chorus]

When that train heads home,

D  
They're gonna be so gone gone, you aint never gonna see me  
Im a gone gone, you aint nothin to me
