

# Kings Of Leon - Over

Tom: D

## INTRO

D A Gbm Bm G A D x2

## [VERSO 1]

I see the grass beneath me

I smell the wind and sky

And think to myself

Don't pass me by

You dance in strange conditions with strangers of the night

I see you're crazy and so am I

You bled out red and blue

The boys of NYU, they saw you coming from miles away

Nothing is quite as homey, we dive each sunny days

I see you Kenny, you castaway

## [REFRÃO]

Oh, don't say it's over

Don't say is over, anymore

Oh, don't say it's over

Don't say it's over, anymore

## [VERSO 2]

Bright lights, that make the city

Quaaludes on christmas eve and all the good times, we've ever seen

The roles we play together

Gbm

The slaps across my face

I face the music you write the scene

## [REFRÃO]

Oh, don't say it's over

Don't say is over, anymore

Oh, don't say it's over

Don't say it's over, anymore

D A Gbm Bm G A D x3

My angel hovers over

The light comes crashing in

I know it's how this here story ends

I'll hang around forever, until you cut me down

I'm pressed and ready to face the crowd

## [REFRÃO]

Oh, don't say it's over

Don't say is over, anymore

Oh, don't say it's over

Don't say it's over, anymore

Oh, don't say it's over

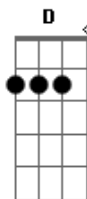

Don't say is over, anymore

Oh, don't say it's over

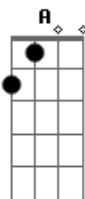

Don't say it's over, anymore

D A Gbm Bm G A D
