The road is carved of wonder
I hope you see me there
It's in the water
It's where you came from % \left( 1\right) =\left( 1\right) \left( 1\right) 
t's in the water
It's where you came from
Ooh ooh ooh
And the crowd begins to wander
And they cry to see your face

It's gonna save her
 And when they dance,
                         and come together
 And start rising
 Just drink the water,
                         where you came from
 Where you came from
Ooh ooh ooh
Ooh ooh ooh
So the road it was carved from nothing
Never sold yourself away
