Tom: E

(com acordes na forma de
Capotraste na 4ª casa
Intro: 2x: C Am G F G

Tonight, somebody's lover
Is gonna pay for his sin
It's coming on, it's coming on
I don't know, just what is leading me
Or if time is on my side
It's coming on, it's coming on

I don't know why I keep acting this way
Everybody knows it's strange
Give me something along the way
Something along the way

(C Am G F G)

When I see lights on Broadway
I know it's gonna be a long night
It's coming on, It's coming on

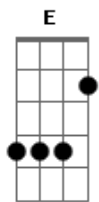

I don't know why I keep acting this way
Everybody knows it's strange
Give me something along the way

C)

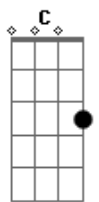

Something along the way
A hole in my head, I can't fill it all
Neon lights my way
Give me something along the way
Give me something along the way
(Dm F C Am) 8x
Tonight, I'm gonna leave my body
Tonight, I'm gonna leave my body
Tonight, somebody's lover is gonna pay for his sin
It's coming out, It's coming out

I don't know why I keep acting this way
Everybody knows it's strange
Give me something along the way
Something along the way
A hole in my head, I can't fill it all
Neon lights my way
Give me something along the way
Give me something along the way
Tonight, I'm gonna leave my body
Tonight, I'm gonna leave my body
