

kiran + Nivi - 8 Billion People

tom:

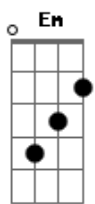

Intro: **Em** **G** **C** **G**

Em **G** **C**
There are eight billion people in the world
Em **G** **C**
But not a single one who understands
Em **G** **C**
I might as well be the only living girl
Em **G** **C**
Wanna be happy but I feel embarrassed to say that I'm lonely
Em **D** **C**
Imagine someone caring for me every day and night
Em **D** **C**
But now I don't have anyone to ask if I'm alright
C **D** **Em**
Stop saying I'm pretty Cause pretty girls don't spend Friday nights
D
Alone in the kitchen
C **D** **Em**
Stop saying I'm funny Cause funny girls don't lock themselves in a
D
Room to cry
C **D**
Em
Doesn't matter how many friends I have. Cause truth is, I'll sit
D **C**
Down at 12 A.M. and the only face I see is me
C **D**
If only eight billion people could help a bit
Em **C**
Tryna cope with all the insecurities
Em **C**
Seeing my friends having the best lives don't make me feel better
Em **D** **C**
Imagine someone caring for me every day and night (Every night)
Am **D** **C**
But now I don't have anyone to ask if I'm alright
C **D** **Em**
Stop saying I'm pretty Cause pretty girls don't spend Friday
