Childhood's end  
Simmons, Thayer, Kulick

[Intro: E-chord faded in and manipulated by volume knob]

[Rhy. fig 1a & 1b]  
[Rhy. fig 1c]

[Rhy. fig 2a]  
I lived a life of illusion and you had your kicks  
So what, there's nothing left to do  
And you and your obsessions and your crucifix  
As if what I thought mattered much to you

[Rhy. fig 1a & 1b]  
And you were always my friend from Childhood's End  
It was forever and ever

[Rhy. fig 3a & 3b]  
Did you understand  
It's Childhood's End  
But never, the dream is over

[Rhy. fig 2a & 2b]  
Sunday morning in the New York Times  
I read you died last night  
It said you were smilin' when you blew your mind  
And the note you left behind said:

[Rhy. fig 1a & 1b]  
You were always my friend from Childhood's End  
Seems like forever and ever  
Yeah, you won't have to have to pretend  
It's near the end  
You won't ever be a rock and roller

Yeah, you were always my friend from Childhood's End  
But never, the dream is over

[Rhy. fig 4]  
You were just like me  
I was just like you  
For eternity I'll think of you

[Solo over Rhy. fig 1a followed by Rhy. fig 3a]  
[Harmony on bar 5 of solo]

[Rhy. fig 1a & 1b with Riff 1]  
[Rhy. fig 3a & 3b with Riff 1]  
(Repeat choruses, overlapping, fade out)  
You've got something about you,  
You've got something I need...
