

Kiss - I Can't Stop The Rain

Tom: **F**
Intro: chords: **F Bb C F Bb C**

VERSE:

F
Night falls on the city, finds me all alone.
Bb
Makes me wonder, should just go on home.
F
And I walk on up the stairs to see if you still there,
Bb C
would you mind if I found you alone? **F**
Bb C
Then a cold wind came calling,
Bb C F
strange how it knew me by name.
F
say the night will fade, but the pain's gonna stay,
Bb
makes me wonder, have you ever made love to me?

CHORUS:

F **Bb**
I can't stop the rain,
C **F**
here it comes again.
Bb
Lightning,
C **F**
strikes across the sky.
Bb **G**
I can't stop the rain,
F **Bb**
here it comes again.
C

Lightning,
Bb C F
only blinds my eyes.

VERSE:

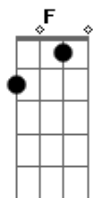

F
C Ain't it sad when the only love I ever had,
Bb
Just slips away, right through my fingers. **C**
F
Ain't it a shame when I think of your name,
Bb **C**
the only memory I have is of you

CHORUS:

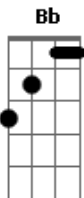

F **Bb**
I can't stop the rain,
C **F**
here it comes again.
Bb
Lightning,
C **F**
strikes across the sky.
Bb **G**
I can't stop the rain,
F **Bb**
here it comes again.
C
It takes a witch,
('cause lightning) **Bb C F**
to curse that God damn sky.
(only blinds my eyes?)

REPEAT AND FADE?
