

Kiss - Plaster Caster

Tom: G

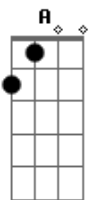

A G A G
 Baby's getting anxious, the hour's getting late
 F G D
 The night is almost over, she can't wait
 A G A G
 Oh, things are complicating, my love is in her hands
 F G D G D
 And there's no more waiting, she understands
 G D G D
 The plaster's gettin' harder and my love is perfection
 F G A
 A token of my love for her collection, her collection
 D G D G
 Plaster caster, grab a hold of me faster
 F C G
 And if you wanna see my love, just ask her
 A G
 And my love is the plaster
 A G

And yeah, she's the collector
 F G D G D
 She wants me all the time to inject her
 G D G G D
 The plaster's gettin' harder and my love is perfection
 F G A
 A token of my love for her collection, her collection
 D G D G
 Plaster caster, grab a hold of me faster
 F G
 And if you wanna see my love, just ask her
 (solo)
 G D G D
 The plaster's gettin' harder and my love is perfection
 F G A
 A token of my love for her collection, her collection
 D G D G
 Plaster caster, grab a hold of me faster
 F C G
 And she calls me by the name of master, (master)
