[Intro: Rhy. fig 1 w/ Riff 1]

[Rhy. fig 2]  
Would you want to know what I'm thinking about  
Do you wonder do I wanna make you scream and shout  
[Rhy. fig 1]

[Rhy. fig 2]  
Would you like to see what's in my brain  
Does your curiosity drive you insane  
[Rhy. fig 3]

[Rhy. fig 4]  
Baby you're just wasting precious time  
If you want to know what's on my mind  
[Rhy. fig 5]  
Read my body  
Are the letters big enough  
Read my body  
Do you like the book of my love  
Read my body  
Turn the page, get to the good stuff  
Read my body

[Rhy. fig 1 w/ Riff 2]

[Rhy. fig 2]  
Would you like to go on a moonlight ride  
Do you think you wanna show me what you're like inside  
[Rhy. fig 1]

[Rhy. fig 2]  
Would you like to touch, do you wanna know  
How good it can get, how far it can go  
[Rhy. fig 3]

[Rhy. fig 4]  
If you're lost between the lines  
Open up your eyes and see the lines

[Rhy. fig 5]  
Read my body  
Are the letters big enough  
Read my body  
Do you like the book of my love  
Read my body  
Turn the page, get to the good stuff
