

# Klaas - Hello (Turn Your Radio On)

tom:  
 B (forma dos acordes no tom de A )  
 Capotraste na 2ª casa  
 Intro: D Bm Bm D D

[Parte 1]

Woke up this morning and the streets were full of cars  
 All bright and shiny like they'd just arrived from mars  
 And as I stumbled through last night's drunken debris  
 The paperboy screamed out the headlines in the street

Another war and now the pound is looking weak  
 And tell me have you read about the latest freak  
 We're bingo numbers and our names are obsolete  
 Why do I feel bitter when I should be feeling sweet

[Refrão]

Hello hello turn your radio on  
 Is there anybody out there  
 Help me sing my song

Hello hello turn your radio on  
 Is there anybody out there  
 Help me sing my song

Hello hello  
 Hello hello turn your radio on  
 La la la life is a strange thing  
 Just when you think you learned how to use it

It's gone

( D Bm D )

[Parte 2]

Woke up this morning and my head was in a daze  
 A brave new world has dawned upon the human race  
 Where words are meaning less and everything's surreal  
 Gonna have to reach my friends to find out how I feel

And if I taste the honey is it really sweet  
 And do I eat it with my hands or with my feet  
 Does anybody really listen when I speak  
 Or will I have to say it all again next week

[Refrão]

Hello hello turn your radio on  
 Is there anybody out there  
 Help me sing my song

Hello hello turn your radio on  
 Is there anybody out there  
 Help me sing my song

Hello hello  
 Hello hello turn your radio on  
 La la la life is a strange thing  
 Just when you think you learned how to use it  
 It's gone
