

# Klaas - Hello (Turn Your Radio On)

tom:  
B (forma dos acordes no tom de A )  
Capostrate na 2ª casa  
Intro: D Bm Bm D D

[Parte 1]

Woke up this morning and the streets were full of cars  
All bright and shiny like they'd just arrived from mars  
And as I stumbled through last night's drunken debris  
The paperboy screamed out the headlines in the street

Another war and now the pound is looking weak  
And tell me have you read about the latest freak  
We're bingo numbers and our names are obsolete  
Why do I feel bitter when I should be feeling sweet

[Refrão]

Hello hello turn your radio on  
Is there anybody out there  
Help me sing my song

Hello hello turn your radio on  
Is there anybody out there  
Help me sing my song

Hello hello  
Hello hello turn your radio on  
La la la life is a strange thing  
Just when you think you learned how to use it

It's gone

( D Bm D )

[Parte 2]

Woke up this morning and my head was in a daze  
A brave new world has dawned upon the human race  
Where words are meaning less and everything's surreal  
Gonna have to reach my friends to find out how I feel

And if I taste the honey is it really sweet  
And do I eat it with my hands or with my feet  
Does anybody really listen when I speak  
Or will I have to say it all again next week

[Refrão]

Hello hello turn your radio on  
Is there anybody out there  
Help me sing my song

Hello hello turn your radio on  
Is there anybody out there  
Help me sing my song

Hello hello  
Hello hello turn your radio on  
La la la life is a strange thing  
Just when you think you learned how to use it  
It's gone
