```
tom:
               B (forma dos acordes no tom de A )
Capostraste na 2ª casa
Intro: D Bm Bm D D
[Parte 1]
Woke up this morning and the streets were full of cars
All bright and shiny like they'd just arrived from mars
And as I stumbled through last night's drunken debris
                            D
The paperboy screamed out the headlines in the street
Another war and now the pound is looking weak
And tell me have you read about the latest freak
                          G
We're bingo numbers and our names are obsolete
Why do I feel bitter when I should be feeling sweet
[Refrão]

[Parte 2]
Woke up this morning and my head was in a daze
A brave new world has dawned upon the human race
Where words are meaning less and everything's surreal
Gonna have to reach my friends to find out how I feel
And if I taste the honey is it really sweet
                     Em
And do I eat it with my hands or with my feet
Does anybody really listen when I speak
Or will I have to say it all again next week
