There she goes again, the dopest Ethiopian
In other words, she came through explodin'
In the podium dynamite
Napoleon like sodium mixed with petroleum,
Slowly but surely, she was walking toward me

B
Cut the convo short 'cause she had to wake up early
Bb
But continuing the story

Ebm
Don't worry she gave me digits for her Blackberry
"You're very handsome" is what she said
Ab
And the way she looked in my eyes said "Put me to bed."
B
Oh my, oh my, I should have known when she said to me on the
phone:
Bb
"You do not know me very well, but I would never hurt a fly"
Ebm
Then she aimed at my chest with love in her eye
Said she aimed at my chest with love in her eye

[Refrão]

B
She was walkin' around with a loaded shotgun
Bb
Ready to fire me a hot one
Ebm
It went bang, bang, bang
Ab
Straight through my heart (Straight through my heart)
B
Although I could have walked away
Bb
I stood my ground and let her spray

Ebm
She shot me, she shot me
Bang, bang, she shot me
She shot me, she shot me
Bang, bang

Ebm
Scorpion, she's so hot she's a scorch-ian
Killing me softly
Laurn or Kevorkian
Couldn't tell if she's coo-coo or corky, when
I asked her her name she said "Call me Ten"

B
Testing, testing
Bb

A very Western toaster
She ain't nothing Kosher
Bb

Hotter than a pepper-crusted Samosa
While I try to keep my composure
