

Knox Hamilton - Beach Boy

tom:
Intro: G Gbm Em Gbm
G Gbm Em Gbm

[Primeira Parte]

G
Sitting here all alone
Gbm
Wondering what it was I did wrong
Em
We planned this all along
Gbm
How can it be so
G
I had only all night to live
Gbm
We're saying nothing else left to give
Em
Can't we make it through this bridge
Gbm
I can't let go

[Pré-Refrão]

Em Gbm
And it's come down to taking separate cars
Em Gbm
Not even ending up at the same park
Em Gbm
And I know you have got your broken heart
Em Gbm
But what am I to do, accept your fall?

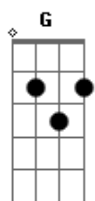

[Refrão]

G Gbm
Beach Boy, don't wanna know
Em Gbm
Said you loved him but he cried when you let him go
G Gbm
Beach Boy, don't wanna fight
Em Gbm
Said you loved him but you let him wander through the night

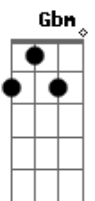

[Segunda Parte]

G
Found what you're left of here
Gbm
Ran away in fits and tears
Em
Guess you expect me to cheer
Gbm
I won't do such a thing
G
You have only yourself to blame
Gbm
But I know that you feel the same
Em
Don't you find it kind of strange
