

Knox Hamilton - Call Me Up

tom:
Bbm (forma dos acordes no tom de Gm)
Capostrate na 3ª casa

Go on and feel my touch
Got me breaking at the heart
I said you're wrong, oh you're wrong
I won't rest until you fall in my arms
Fall in my arms

On that long ride, in that dark night
It was wrong of you to leave me so soon
On that long ride, in that dark night
It was wrong of you to leave me so soon

And I don't see you here, I can't feel you
Won't you call me up, I'll come runnin' up
And I don't see you here, I can't feel you
Won't you call me up, call me up
Call me up
Call me up

Go on and feel my touch
I love every song that reminds me of you
And you're the closest thing that I'll ever be
To getting lost in hell or heaven

On that long ride, in that dark night
It was wrong of you to leave me so soon

Acordes

On that long ride, in that dark night
It was wrong of you to leave me so soon

And I don't see you here, I can't feel you
Won't you call me up, I'll come runnin' up
And I don't see you here, I can't feel you
Won't you call me up, call me up
Call me up
Call me up

And oh, until you make it my way
You're the only one who's got the magic
To stir my blood
Oh until you make it my way
You're the only one who's got the magic
To stir my blood

And I don't see you here, I can't feel you
Won't you call me up, I'll come runnin' up
And I don't see you here, I can't feel you
Won't you call me up, call me up
And I don't see you here, I can't feel you
Won't you call me up, I'll come runnin' up
And I don't see you here, I can't feel you
Won't you call me up, call me up
Call me up
Call me up
