## [Primeira Parte]

Em C  
They say that the hardest thing  
G D  
To do is say goodbye  
Em C G D  
This is the hardest thing  
Em C  
We tried to stitch it up  
G D  
And now I wonder why  
Em C G D  
Why is this happening to me?

## [Pré-Refrão]

Em  
But it wasn't right  
C  
Had another fight  
G  
We were young  
D  
But we never quite took a fight  
Em  
In another life  
C  
Maybe you and I  
G  
Would be walking down the aisle  
D  
Dressed in white

## [Refrão]

Em C  
I can see that all you need  
G D  
Is everything I'll never be  
Em C  
But everyone changes  
G D  
Everyone changes  
Em C  
Say goodbye and let it be

Em C  
But everyone changes  
G D  
Everyone changes

## [Segunda Parte]

Em C  
You say you left everything  
G D  
Behind all because of me  
Em C G D  
But I gave you everything  
Em C  
Dreaming of futures with  
G D  
A child and a family  
Em C G D  
Did they ever mean a thing to you?
