

Kodaline - Love Like This

Tom: C

^C
Running through the heat, hot beat you shine like ^G
^{Am} Silver in the sun light, you light up my cold heart ^F

It feels right in the sun, the sun ^C
^G ^{Am}

We're running round, round like nothing else can matter in our lives

^F
But wait. but wait, but wait

^C
The sun will stop shining soon

^G ^{Am}
And you'll be dark in my life ^F

Yeah you'll be gone, it's as simple as a change of heart

^C
But I'm not gonna think about the future

^{Am} ^F ^C ^G
A love like this won't last forever

^{Am} ^F ^C
I know that a love like this won't last forever

^G ^C
But I, I don't really mind, I don't really mind at all

^C ^G
Step into the nightlight, it goes dark but you don't mind ^{Am} ^F

Hiding in the back streets, yeah, you never notice me

All that I was thinking about was cleaning up my conscience ^C

Lost in the memory as it shakes up the corners of my heart ^G ^{Am}

Was it my mistake? ^F

^C Or maybe it was just as simple as a change in your heart ^G ^{Am}

^F ^C
Just as simple as a change in your heart

^{Am} ^F ^C ^G
I know now a love like this won't last forever

^{Am} ^F ^C ^G
I know that a love like this won't last forever

But I, I know that a love like this won't last forever ^C ^G

^{Am} ^F ^C ^G
I know that a love like this won't last forever

(^{Am} ^F ^C ^G)

But I know

I don't mind at all

^{Am} ^F ^C ^G
A love like this won't last forever

^{Am} ^F
A love like this

^C ^G
A love like this

^{Am} ^F ^C ^G ^C
A love like this won't last forever
