

Kodaline - Pray

Tom: C

Am F
How many nights do you lie dreaming
Am F
I'm counting the days since you went away
Am F
When I lost my heart, life lost all meaning
Am F
What I would give to see you again

F Am F
I'll pray for you
F Am
Do you pray for me?
F Am

I'll pray for you

Am F
And you slipped away from me without talking
The look in your eye was stronger than this
F C E
And I drink alone to stop me from weeping
F C
What's left of my heart is forever yours
E
Forever yours

I'll pray for you
Do you pray for me?
I'll pray for you

I know I know I know I know
