

Kodaline - Ready To Change

Tom: Bb

(com acordes na forma de G)

Capostrate na 3ª casa

Shots rang out, but there's no gun

Still you hurt on everyone

In the dips of you, the sparks are good

But you're not even trying, trying

You feel the knife in your gut

But you're so scared of what you want

You bite your lip, and hold your tongue

What are you hiding? (hiding)

We got tired of your charms

And tired of your false alarms

You're just a book that never turns its page

You can stand on the edge shouting out that you're ready to change, ready to change

You can say what you want

You won't jump, you're not ready to change

You're not ready to change

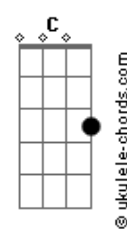

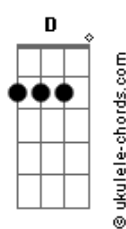

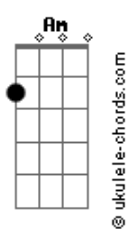

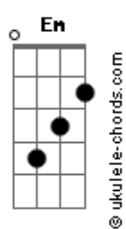

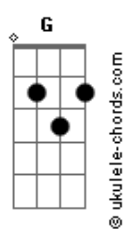

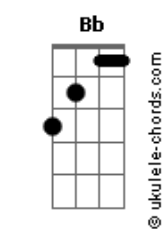

(Em D C)

(Em D C)

Happy times, there's been a few

A different me, a different you

Acordes

Now you sell your soul for something new

But nobody's buying (buying)

'Cause we got tired of your charms

And tired of your false alarms

You're just a book that never turns its page

You can stand on the edge shouting out that you're ready to change, ready to change

You can say what you want

You won't jump, you're not ready to change, ready to change

(Em D C)

(Em D C)

(Am C Em D)

(Am C Em D)

You can stand on the edge shouting out that you're ready to change, ready to change

You can say what you want

You won't jump, you're not ready to change

Ready to change

(Em D C)

(Em D C)

You can stand on the edge shouting out that you're ready to change, ready to change
