

Kodamine - Take Control

Tom: **B**

(com acordes na forma de Capotraste na 4ª casa **G**)

Take control of who you are **Em**
 Stay the same don't let them change you **Em**
 Take control of who you are **D**
 'Cause ain't nobody going to save you **Em**

Take control of who you are **Em**
 When the world is getting stranger **D**
 Take control of who you are **Am**
 Stay the same don't let them change you **Em**

But when it comes apart **G**
 When it comes apart to start again **B7**
 And open up your heart **G**
 Take control of who you are **B7**

Take control of who you are **Em**
 When you're looking in the mirror **Em**
 Underneath the skies **D**
Am

You will see a little clearer

Take control of who you are **Em**
 When the world is getting stranger **D**
 Take control of who you are **Am**
 Show the people what you're made of **Em**

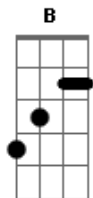

But when it comes apart **G**
 When it comes apart to start again **B7**
 And open up your heart **G**
 Take control of who you are **B7**

And when it comes apart **G**
 When it comes apart just start again **B7**
 Open up your heart **G**
 Take control of who you are **B7**

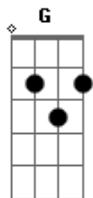

C G D (4x)

When it comes apart **G**
 And when it comes apart just start again **B7**
 Open up your heart **G**
 Take control of who you are **B7**
