

Kodamine - The One

tom:
 Capotraste na 2ª casa

A (forma dos acordes no tom de G)

Tell me, tell me that you want me
 I'll be yours completely for better or for worse
 And I know we have our disagreements
 Fighting for no reason, wouldn't change it for the world

And I knew, the first day that I met you
 Was never gonna let you, let you slip away
 And I still remember feeling nervous
 Trying to find the words to get you here today

Cause you make my heart feel like it's summer
 When the rain is pouring down
 You make my whole world feel so right when it's wrong
 That's why I know you are the one
 That's why I know you are the one

Oooo oooo ooo

In life, it's easy to be scared of

With you I am prepared for what has yet to come
 Cause our two hearts will make it easy
 Joining up the pieces, together making one

Cause you make my heart feel like it's summer
 When the rain is pouring down
 You make my whole world feel so right when it's wrong
 That's why I know you are the one
 That's why I know you are the one

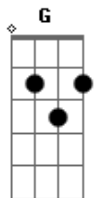

When we are together you make me feel like my mind is free
 And my dreams are reachable (oh-oh-oh-oooh)
 You know I never ever believed in love or believed one day
 That you would come along (oh-oh-oh-oooh) and free me

Cause you make my heart feel like it's summer
 When the rain is pouring down
 You make my whole world feel so right when it's wrong
 That's why I know you are the one
 That's why I know you are the one
