

Kolohe Kai - Ehu girl

Tom: C
Intro: C F G7 2x Am G Am G

(Verse 1)

Said it happened last night about ten to eleven when I first
laid eyes on
you,

Standing in line into Club Triple 7, it was just like heaven
and a dream

come true,

(Bridge)

We're standing at the right place at the right time,
When you, this ehu girl, caused a crime.

(Chorus)

You're my pretty little ehu girl who made me a fool in love,
Got my heart all in a whirl and now it needs cooling off,

You set my heart on fire... and now I don't know what to do,

You set my heart on fire... and now I'm so in love with you my
ehu girl.

Intro: (Verse 2)

Said I'm feeling it now, something I've never felt,
My hearts so hot I think I'm gonna melt,
Somehow, I want to see you again
My love, sent from above.

(Bridge)

And beautiful girls yes I've seen a few,
but out of all the beauty in the world there's no one quite
like you.

(Chorus)

Intro: My ehu girl.

(Bridge)

The way your ehu hair floats in the air,
The way your shining eyes reflect the sky,
The way your smile burns up my flame,
But I don't know your name and I guess I'll call you...
