

Koo Keunbyul - Sing My Song

Tom: **F**

Dm7 **Bb**
You are my sunrise

F
You are the daylight

C **Dm7**
Hiding the shadows of my mind

Bb
You are my sundown

F
You're giving the moon life

C **Dm7**
Not even stars can shine so bright

Bb
So why does it rain

F
It feels just the same

C
As if I'd be on my own without you

Bb
So I'm thinkin

C
About the memories

F
Through this song

A
It helps me forget

Bb
Bout everything that went wrong

C
And altho I know

F
That we're not through for sure

A
Deep down in my heart the pain

Bb **Dm7** **C**
I can't ignore oooh

Bbm **C**
And so I sing my song mmh

Dm7 **Bb**
You are the future

F
And even the flowers

C

Are turning your way to reach higher

Dm7
But when I stand

Bb
In this pooring rain

F
It feels just the same

C
As if I'd be on my own without you

Bb
So I'm thinkin

C
About the memories

F
Through this song

A
It helps me forget

Bb
Bout everything that went wrong

C
And altho I know

F
That we're not through for sure

A
Deep down in my heart the pain

Bb **Dm7** **C**
I can't ignore oooh

F
And so I sing my song

F
Need oh how I need

Dm7
How I feel that I need to be

C
Need to be strong how I

F
Need oh how I need

Dm7
How I feel that I need to be

C **F**
Need to be stronger

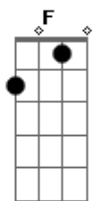

Dm7
How I feel that I need to be

C **F**
Need to be stronger

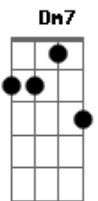

Dm7
How I feel that I need to be

C **F**
Need to be stronger
