

# Koo Keunbyul - Sing My Song

Tom: **F**

**Dm** **Bb**  
You are my sunrise

**F**  
You are the daylight

**C** **Dm**  
Hiding the shadows of my mind

**Bb**  
You are my sundown

**F**  
You're giving the moon life

**C** **Dm**  
Not even stars can shine so bright

**Bb**  
So why does it rain

**F**  
It feels just the same

**C**  
As if I'd be on my own without you

**Bb**  
So I'm thinkin

**C**  
About the memories

**F**  
Through this song

**A**  
It helps me forget

**Bb**  
Bout everything that went wrong

**C**  
And altho I know

**F**  
That we're not through for sure

**A**  
Deep down in my heart the pain

**Bb** **Dm** **C**  
I can't ignore oooh

**Bbm** **C**  
And so I sing my song mmh

**Dm** **Bb**  
You are the future

**F**  
And even the flowers

**C**

Are turning your way to reach higher

**Dm**  
But when I stand

**Bb**  
In this pooring rain

**F**  
It feels just the same

**C**  
As if I'd be on my own without you

**Bb**  
So I'm thinkin

**C**  
About the memories

**F**  
Through this song

**A**  
It helps me forget

**Bb**  
Bout everything that went wrong

**C**  
And altho I know

**F**  
That we're not through for sure

**A**  
Deep down in my heart the pain

**Bb** **Dm** **C**  
I can't ignore oooh

**F**  
And so I sing my song

**F**  
Need oh how I need

**Dm**  
How I feel that I need to be

**C**  
Need to be strong how I

**F**  
Need oh how I need

**Dm**  
How I feel that I need to be

**C** **F**  
Need to be stronger

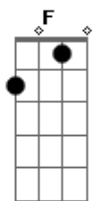

**Dm**  
How I feel that I need to be

**C** **F**  
Need to be stronger

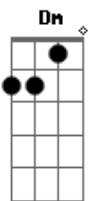

**Dm**  
How I feel that I need to be

**C** **F**  
Need to be stronger
