

Korn - Freak On A Leash

```
D||-----10-10-10-----10-10p9h10p9--||
           tom:
Intro: / Verse (Without Drums)
                                               |------|
                                              G||---------------||
   Munky
               Head
                                              D||---9-9-----||
                                              A||-----|
D||-----24----|
A||-17-----|
F||-----|
C||-----||
                                                  Munky or Head (One keeps playing Riff F )
                                                -----10-10-10-----10-10p9h10p9--||
D||-----|
                                              A||-----||
You play this during the first verse BEFORE the drums come in.
                                              D||----9--9------||
Also, when Munky hits the High A 18th fret note, Head starts
little part of this riff. Then, when Head hits the High D
                                                                  with the Flanger
                                                                  the same way you
note, Munky starts his part of this riff.
                                                                  used it in Riff B.
Verse (With Drums)
                                              Riff H
                                                 Munky & Head
Riff B
                                              D||-----||
  Munky
               Head
D||-----24-||
                                              c||----||
A||-17-----||
F||-----||-21-----||
                                              G||-4-5-6-7-----||
                                              D||-4-5-6-7----|
                                              A||-2-3-4-5-----|
 |-----|
Ā||-----|
                                              Riff I
  -To get this note to
                                                 Munky & Head
   sound like Munky does
                                              D||-----||
   use a Flanger set to
   vibrato (I just turn all
                                              c||-----|
   the way clock-wise.)
                                              G||-4-5-4-3----|
These Riffs are only done when David plays the verse with the
                                              D||-4-5-4-3----||
                                              A||-2-3-2-1----|
| Pre Chorus |
                                              | Last Chorus |
