

Korn - Freak On A Leash

Tom: **A**

Intro: / Verse (Without Drums)

Riff **A**

Munky Head

You play this during the first verse BEFORE the drums come in.

Also, when Munky hits the High **A** 18th fret note, Head starts his little part of this riff. Then, when Head hits the High **D** 24TH fret note, Munky starts his part of this riff.

Verse (With Drums)

Riff **B**

Munky Head

-To get this note to sound like Munky does use a Flanger set to vibrato (I just turn all the way clock-wise.)

These Riffs are only done when David plays the verse with the band

Intro: Riff **A** X6

With: Riff **A** X3

Something takes a part of me.

Something lost and never seen.

With Riff **B** X7

Everytime I start to believe,

Something's raped and taken from me... from me

Life's got to always be messing with me (You wanna see the light)

Can't they chill and let me be free (So do I)

Can't I take away all this pain (You wanna see the light)

I try to every night, all in vain... in vain

With: Riff **C** X3

Sometimes I cannot take this place.

Sometimes it's my life I can't taste.

Sometimes I cannot feel my face.

With: Riff **D** X1

You'll never see fall from grace

With: Riff **E** X4

Something takes a part of me.

You and I were meant to be.

A cheap fuck for me to lay

Something takes a

Feeling like a freak on a leash. (You wanna see the light)

Feeling like I have no release. (So do I)

How many times have I felt diseased? (You wanna see the light)

Nothing in my life is free... is free

With: Riff **C** X4

Sometimes I cannot take this place.

Sometimes it's my life I can't taste.
