

# Kris Allen - The Truth

Tom: E

(com acordes na forma de D )  
Capostrate na 2ª casa  
Intro: 2x: D Bm A G

Lying next to you, wishing I could disappear, ay,  
let you fall asleep and vanish out into thin air, ay ayy...  
It's the elephant in the room and we pretend that we don't see it...

It's the avalanche that looms above our heads, that we don't believe in..

Trying to be perfect, trying not to let you down, yeah...  
Honesty is honestly the hardest thing for me right now, yeah.  
While the floors underneath our feet are crumbling,  
the walls we built together, tumbling,  
I still stand here holding up the roof,  
cuz it's easier than telling the truth...

Bm G D A

I still keep your photographs, I remember how we used to laugh...  
I can keep on losing sleep if you're ok with being torn in half.  
It's the elephant in the room and we pretend that we don't see it...

It's an avalanche that looms above our heads, and we don't believe it...

Trying to be perfect, trying not to let you down, yeah...  
Honesty is honestly the hardest thing for me right now, yeah.  
While the floors underneath our feet are crumbling,  
the walls we built together, tumbling,  
I still stand here holding up the roof,  
cuz it's easier than telling the truth...

Stop ignoring that our hearts are mourning, and let the rain come in...  
Stop pretending that it's not ending, and let the end begin...  
oh, yeah...

Trying to be perfect, trying not to let you down, yeah...  
Honesty is honestly the hardest thing for me right now, yeah.  
While the floors underneath our feet are crumbling,  
the walls we built together, tumbling,  
I still stand here holding up the roof,  
cuz it's easier than telling the truth...  
It's easier than telling the truth...
