

Kris Kristofferson - From Here To Forever

tom:

D

Cool shadows fall through the moonlight
Soft as the breeze through your hair
And the smile on your face

When you're sleeping
Is the answer to anyone's prayer

Fill your heart for the mornin' tomorrow
You've still got a long way to grow
And the love that you're dreamin'
Will guide you
And live like a song in your soul

And darlin' if we're not together
There's one thing i want you to know
I'll love you from here to forever
And be there wherever you go

(G D A D)

D G
There are so many feelings to follow
D A
So many chances to take
D G
So many ways you can stumble
E A
Someday your heart's gonna break

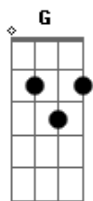

D
Darlin' take all the time
G
That you're given
D A
Be all you know you can be
D G
And if you need a reason for livin'
D A D
Do it for love and for me

A D
And darlin' if we're not together
A D
There's one thing i want you to know
G D
I'll love you from here to forever
A D
And be there wherever you go
G D
I will love you from here to forever
A G D
And be there wherever you go
