

Kris Kristofferson - Nobody Wins

	tom:	'Cause it's a shame to make
	A	A7 D
		The same mistakes again
	A	D7
Any more it doesn't matter		And again
Who's right or wrong	E	A E
We've been injuring each other		It's over
	E	A
		Nobody wins
	A	
For much too long		D
	A	We've gone too far too long
And it's too late to try to save	A7	A
		Too far apart
What might have been	D	B7
	A E	The lovin' was easy
It's over		E
	A	It's the livin' that's hard
Nobody wins		A A7
	A	And there's no need to stay and see
Make believin in forever		D
	E	The way it ends
Is just a lie		A E
	E	It's over
And it seems a little sadder		A
	A	Nobody wins
Each time we try
