

KT Tunstall - Lost

Tom: C

F G2 F
Following my nose
G2 Am
A detective with no lead
G2
Only my dreams know
F
What's got into me
G2 F
I run by your side
G2 Am

G2
Lower than the sea
F
And it's killing me
G2
And it's killing me

(refrão)
C
If I choose to go with the way I'm feeling
Em
Does it really mean that's the way it is
Am F
Is it just a trick that my eyes are playing on my mind

Following the pack just to pass the gate
Am
It's a little late for a change of plan

Don't you think

F C Am
I got lost following you
F G2 F

There's a camaraderie
G2 Am
In a number for my chest
G2
Do this and do that
F
And forget the rest
G2 F
But as the tide retreats
G2 Am
It's showing me the shore
G2
There's danger going deeper
F

But I can't be here anymore
G2
Can't be here anymore

(refrão)
