[Primeira Parte]

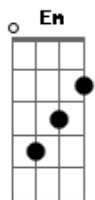

It's pla__ in to see
We live in our o__wn reality
But was it me__ant to be
That we're alone, that we're all alone?
Sta__rs shine, a__nd spiri__ts align
Yet we're all di__fferent kinds
But we're together, yeah we're all together

And we can fi__nd the wa__y home
And you kno__w we're no__t alone
And though the ro__ad see__ms so long
We gotta hold on
Gotta hold on

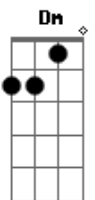

Se__ek and you will find
It's always been on the prophets mind
Don't to__w the line
You'll be forgiven, yeah, forgiven

And we can fi__nd the wa__y home
And you kno__w we're no__t alone
And though the ro__ad see__ms so long
