

# Kurt Vile - Pretty Pimpin

Tom: A

(com acordes na forma de G )

Capotraste na 2ª casa

Am7

I woke up this morning

Didn't recognize the man in the mirror

Then I laughed and I said, "oh silly me, that's just me"

Then I proceeded to brush some stranger's teeth

But they were my teeth, and I was weightless

Just quivering like some leaf

Come in the window of a restroom

I couldn't tell you what the hell it was supposed to mean

But it was a monday, no a tuesday

No wednesday, thursday, friday

Then saturday came around and I said

"who's this stupid clown blocking the bathroom sink? "

All he ever wanted was to be someone in life

That was just like

All I want is to just have fun

Live my life like a son of a gun

If I could be one thousand miles away

And still me would I stay?

Then I woke up one morning

Didn't recognize the man in the mirror

Then I laughed and I said, "oh silly me, that's just me"

Then I proceeded to not comb some stranger's hair

Never was my style

But I couldn't tell you what the hell it was supposed to mean  
Because it was a monday, no a tuesday  
No wednesday, thursday, friday  
Then saturday came around and I said  
"who's this stupid clown blocking the bathroom sink? "  
But he was sporting all my clothes  
I gotta say I'm pretty pimpin'

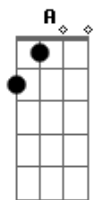

All he ever wanted was to be a man  
But he was always a little too cute  
To be admitted under marbles lost  
He was always a thousand miles away  
While still standing in front of your face

Then he woke up this morning  
Didn't recognize the boy in the mirror  
Then laughed and said, "oh silly me, that's just me"  
Then I proceeded to brush some stranger's teeth  
But they were my teeth, and I was weightless  
Just quivering like some leaf  
Come in the window of a restroom

And I couldn't tell you what the hell it was supposed to mean  
Cause it was a monday, no a tuesday  
No wednesday, thursday, friday  
Then saturday came around and I said  
"who's this stupid clown blocking the bathroom sink? "  
But he was sporting all my clothes  
I gotta say pretty pimpin'

I woke up this morning, didn't recognize the boy in the mirror  
I woke up this morning, didn't recognize the boy in the mirror  
I woke up this morning, didn't recognize the boy in the mirror  
I woke up this morning, didn't recognize the boy in the mirror  
I woke up this morning, didn't recognize the boy in the mirror  
I woke up this morning, didn't recognize the boy in the mirror
