

KXC Worship - Do It Again Lord

tom:
Intro: C

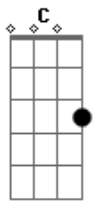

[Primeira Parte]

Do it again, Lord
Pour Your Spirit out
Come and awaken
These dry and dusty bones
Do it again, Lord
Shake this holy ground
All of creation
We can feel it groaning

[Pré-Refrão]

Give us the grace of Holy sorrow
We'll sow in tears for a harvest tomorrow

[Refrão]

Do it again, Lord
Pour your Spirit out
Do it again, Lord
Pour your Spirit out

[Ponte 1]

You're waking every tribe and tongue
To join the endless hallelujah
Rich and poor and old and young
Will with one voice sing hallelujah
An end to violence, idols silenced
Drowned out by our hallelujah
Justice rolling like a river
Flood the earth with hallelujah
