Tom: C

<p>C Times flies when you're by my side Em Am Got butterflies in my belly now ow ow C Take me back to the place I found Em Am You were lost staring at the ground ow ow C So open your eyes Em Our own paradise is here Am By your side, by your side C And what if we fall Em We are not afraid to lose control Am We own the night, we own the night (abafado, palhetadas para baixo) C And this is who we are Em We are meant to touch the stars Am Supposed to know the truth C That lies inside of you C We're faces in the crowd Em Our voices are so loud Am And it's a matter of time C Until we all become the sound (C Em Am) I can't help</p>	<p>C Thinking back feels like I was blind Em We are young Am There was nothing in my mind C And despite all the frozen pounce Em I'll be your friend Am Be the best thing you've got now C So open your eyes Em Our own paradise is here Am By your side, by your side C And what if we fall Em We are not afraid to lose control Am We own the night, we own the night C This is who we are Em We are meant to touch the stars Am Supposed to know the truth C That lies inside of you C We're faces in the crowd Em Our voices are so loud Am And it's a matter of time C Until we all become the sound (C Em Am) I can't help</p>
