tom:
Intro: Dm G Dm G
[Primeira Parte]
                                                                   [Refrão]
Spin you 'round like chandelier
Head over heels like tears for fears
Your love, no, I can't get enough, uh
Losing my cool but I'm stayin' alive
Dancin' on rain just to kiss the night
Your touch, oh, it feels like a love
[Pré-Refrão]
                                                                      Dm
 Don't need drama
 I just need one word to get to you \\
So tell me now, do you want it?
[Refrão]
                                                                           Dm
Cause these dancing feet don't cry
To the rhythm, they cry for you
And every Saturday night
That you ain't here, my tears are blue
And these blinding lights
They shine so bright
Like we're on the moon
                                                                   [Ponte]
But I don't wanna dance another beat
No, unl?ss it's with you
Dancing feet, feet, feet
Dancing feet, feet, feet
Dancing feet, feet, feet
Dancing feet, feet, feet
        Dm
Dancing feet, feet, feet
Dancing feet, feet, feet
I don't wanna danc? another beat, no
                                                                   [Refrão]
 Unless it's with you
[Segunda Parte]
Tell me who do I call when I lose my mind?
Four in the morning and \ensuremath{\mathrm{I}}\xspace^{\ensuremath{\mathrm{m}}} on fire
It's you that I'm running to
You got a diamond heart, you're a work of art
And nothing compares when I'm in your arms
                                                                         G
No one, 'cause they'll never know, oh-oh
