Tom: Eb

(com acordes na forma de C)

Capostrate na 3ª casa

Intro: 2x: F G Am

Verso 1:

We were lovers for the first time
Running all the red lights
The middle finger was our peace sign, yeah
We were sipping on emotions
Smoking and inhaling every moment
It was reckless and we owned it, yeah, yeah

Pré-Refrão:

We were high and we were sober
We were under, we were over
We were young and now I'm older
But I'd do it all again

Refrão:

Getting drunk on a train track
Way back, when we tried our first cigarettes, oh
Ten dollars was a fat stack
I'd do it all again, oh
Bought my jacket and a snapback
Your dad's black Honda was a Maybach, oh

Re: Stacks on the playback

I'd do it all again, oh

Verso 2:

We were lovers on a wild ride
Speeding for the finish line
Come until the end of our time, yeah
Started off as a wildfire, burning down the bridges to our empire
Our love was something they could admire, yeah, yeah

Pré-Refrão:

We were high and we were sober
We were under, we were over
We were young and now I'm older
But I'd do it all again

Refrão:

Getting drunk on a train track
Way back, when we tried our first cigarettes, oh
