

Kygo - It Ain't Me

```
Tom: C
Verso I:
I had a dream
We were sipping whisky neat
Highest floor, the bowery
And I was high enough
Somewhere along the lines F
We stopped seeing eye to eye
You were staying out all night
And I had enough
Pré-Refrão:
No, I don't wanna know where you been or where you're going
But I know I won't be home
            G
And you'll be on your own
Who's gonna walk you through the dark side of the morning?
Who's gonna rock you when the sun won't let you sleep?
Who's waking up to drive you home when you're drunk and all
alone?
Who's gonna walk you through the dark side of the morning?
          Am C G F Am
It ain't me
          C G G F
It ain't me
       C Am G F
It ain't me
```

Acordes

```
It ain't me
It ain't me
Verso II:
I had a dream
We were back to seventeen
Summer nights and the libertines
Never growing up
I'll take with me
      F
The polaroids and the memories
But you know I'm gonna leave
Behind the worst of us
Refrão:
Who's gonna walk you through the dark side of the morning?
Who's gonna rock you when the sun won't let you sleep?
Who's waking up to drive you home when you're drunk and all
Who's gonna walk you through the dark side of the morning?
It ain't me, no no
        F
                         G
It ain't me, no no
       F C
It ain't me, no no
