

Kygo - Remind Me To Forget

tom:
 Bb (forma dos acordes no tom de G)
 Capotraste na 3ª casa

It never fades away, it's staying
 Your kiss like broken glass on my skin
 And all the greatest loves end in violence
 It's tearing up my voice, left in silence

Baby, it hit so hard, holding on to my chest
 Maybe you left your mark, reminding me to forget
 It doesn't matter where you are, you can keep my regret
 'Cause baby, I got these scars, reminding me to forget
 Reminding me, I got these scars, get your love
 Keep reminding me, ooh, to forget your love

There's no room in war for feelings
 Hurt me to the core, still healing
 And I know you're no good for me
 So I try to forget the memories

Baby, it hit so hard, holding on to my chest
 Maybe you left your mark, reminding me to forget
 It doesn't matter where you are, you can keep my regret
 Baby, I got these scars, reminding me to forget

Remember I told you
 To save it, it's over
 And I'll be alright

So hurt me as much as you like
 I need you to let go
 I got these mementos
 And I'll be alright

Baby, it hit so hard, holding on to my chest
 Maybe you left your mark, reminding me to forget
 It doesn't matter where you are, you can keep my regret
 Baby, I got these scars, reminding me to forget

You left your mark (my heart)
 You left your mark, reminding me to forget
