Capostraste na 1^{\underline{a}} casa
Ah, stranger things
We're like, we're like a stranger things (very far)
We're stranger things (dream of places at)
'Cause that's just who we are
We used to run around this ghost town
Always thinking out loud
Are we gonna get out
I remember
We dream of places that we could go
Castles with the strange glow
People that we don't know
I remember
We left a life
That's ordinary from the start
We looked for stranger things
'Cause that's just who we are
Found me the edge of something beautiful and loud
Like I'm picturing now
Castles glitter under Spanish skies
But I'm just looking after you tonight
Snow white mountains in a foreign state
                     Am
Tell me someday we'll get there

I see a Technicolor shadow
Underneath your window
Just in case you don't know
I can see it
You cast an unfamiliar day glow

Different than what I know
Shining like a halo
I can feel it
We turned our back on ordinary from the start
We looked for stranger things
'Cause that's just who we are
Found me the edge of something beautiful and loud
Show me the sky falling down
Castles glitter under Spanish skies
But I'm just looking after you tonight
