tom:

G

[Primeira Parte]

Am
I'm having thoughts again
Em
Hey, are we more than friends?
G
Been tryin' to say those words for days
Am
'Cause? I've been noticin'
Em
That? when I look at you
G
You turn? your head and look away

[Pré-Refrão]

Been dancing **Am** 'round, not feelin' in the **Em** dark
G
Can't get it out, why can't you tell me now?
[Refrão]

Oh, I've been up all night, wondering why you lie?
G
When your heart is sayin' more than you do
Am
I feel it every time
Em
That I look in your eyes
G
Your heart ain't what I always knew
Am
And that's the truth

(Truth, aah, truth, aah)
Em G D

And that's the truth (truth, aah, truth, aah)
Am Em G D
And that's the truth (truth, aah, truth, aah)
Am Em G D
And that's the truth (truth, aah, truth, aah)
Am Em G D
And that's the truth

[Segunda Parte]

Am
Those things we could have said
Em
On loop inside my head
G
It's with me everywhere I go
Am
Might be a mistake
Em
But that's a risk I'll take
G
If I don't ask, I'll never know
