

# Kylie Minogue - Please Stay

Tom: **G**

**Em**  
I fell in love with you  
**Am**  
The moment that we met  
**Em**  
And till the end of time  
**Am**  
I never will forget  
**Bm** **Em**  
I lose it every time I'm close to you  
**Am7**  
Under your spell you know there's nothing I can do

**G** **Bm**  
Please stay my babe  
**Em** **G**  
Who knows when we'll dance again  
**C** **Bm**  
And I don't want to know regret  
**Am7** **D**  
I'll do all that I can just to get you  
**G** **Bm**  
To stay my babe  
**Em** **G**  
Who knows when we'll dance again  
**C** **Bm**  
And I don't want to say goodbye  
**Am7** **B**  
**Em** **Am**  
But who knows where we'll be after tonight

**Em**  
There's nothing stopping us  
**Am**  
You don't have to go  
**Em**  
The night is young for us  
**Am**  
There's more we need to know  
**Bm** **Em**  
I lose it every time I'm close to you  
**Am7**  
Under your spell you know there's nothing I can do

**G** **Bm**  
Please stay my babe  
**Em** **G**  
Who knows when we'll dance again  
**C** **Bm**  
And I don't want to know regret
